CURRICULUM VITAE

PETER ROGENDO BUNYALI

PERSONAL PROFILE

I am a highly motivated, result-oriented and adaptable individual seeking a position in your premises, which will utilize the advanced knowledge and skills gathered from my educational background. I am a focused and flexible professional with ability to work independently and as a team player in a multi-cultural environment and under minimal supervision.

In addition, I have a great curiosity towards new and upcoming trends within the ICT field. As a result, I have developed several soft solutions and hosted them to the internet. Here are the links to my portfolio website and the hosted projects.
